

# ROONEY ROAD RECYCLING CENTER

151 S. Rooney Rd., Golden, CO • 303.316.6262 • RooneyRoadRecycling.org

**Rooney Road Recycling Center accepts the following, by appointment, from 8 a.m. - 2 p.m. on Wednesdays and Saturdays:**

## → Household Chemicals and Waste

The Center will accept your unwanted household chemicals and hazardous wastes such as cleaners, pesticides, fertilizers, solvents, antifreeze, alkaline/rechargeable batteries and light bulbs. A co-pay of \$20 is required for up to 75 pounds of household hazardous chemicals. Fees for over 75 pounds of hazardous chemicals, fire extinguishers, propane cylinders and out-of-county individuals' waste are listed at RooneyRoadRecycling.org. Motor oil and car battery recycling is FREE.

## → Used Paint

Used paint recycling is FREE through the Colorado PaintCare program. Visit RooneyRoadRecycling.org to view the list of accepted architectural paint products.

## → Electronics

It is illegal to dispose of computers, computer monitors, laptops, notebooks, tablets, televisions, keyboards, mice, printers, fax machines, DVD/VCR players, radios, stereos and video game consoles in the trash. For \$1.25 per pound, the Center will properly recycle your electronics and ensure secure erasing of hard drive data. Televisions are recycled for \$1.25 per pound with a maximum charge of \$100 per television.

## Small Business Recycling Services:

Businesses that are Conditionally Exempt Small Quantity Generators (CESQG) of hazardous chemicals, can recycle/dispose of their materials at the Center. Participating jurisdictions do not subsidize businesses; they are required to pay the full cost of recycling/disposal. Please call 303.316.6262 to make arrangements.

## Items not accepted at Rooney Road Recycling Center:

The Center will not accept radioactive items, smoke detectors, prescriptions, biohazards, sharps (including syringes), explosives and items containing Freon. Please call 303.316.6262 to inquire about other materials.
